- More than 100 employee-owners across footprint
- Specializes in speculative and build-to-suit projects for commercial clients

OUR COMPETITIVE ADVANTAGE

Boots on the Ground

We have the local expertise that helps us move quickly and execute.

Thinking like Owners

We consider design solutions that increase the long-term feasibility of the project and real estate value for the client.

Vertically-Integrated Development Approach

With design, architecture, and development services in-house, we are able to efficiently create real estate solutions for our clients.

A Long History of Operating with Integrity

We're fueled by a strong set of core values – centered on taking ownership, building relationships through trust, and digging details – and we seek partners that share the same values when doing business.

SPECIALTIES

- Industrial facilities
- Office and medical buildings
- Multi-family developments
- Urban mixed-use developments

EXPERIENCE

5.9M square feet of new project starts in 2023
